*Lord, you have hidden away many wonderful things for... those who trust in you.*

Psalms 31:19

Dear brothers and sisters in Christ,

We thank the Lord, and every one of you, for the great support of your prayers and financial support. Such faithfulness makes the truth of Psalm 31:19 true in our lives.

## Abel's Thesis

It is a joy to be able to share that Abel has now finished and submitted his thesis and has already received approval. Thank you for all your prayers regarding the thesis. It's completion has brought sweet "freedom." Having a Masters in Theology will be useful for Abel in his lecturing ministry.

## In Transition

As we shared in the last few we face a necessary change in ministry and location. For this to be possible, we need the Lord to sell our house. We are all aware of how difficult the economic situation is in Spain - and the world in general - because of COVID 19. Our house is listed house on different real estate websites and so far there have been no results. We know that the Lord is mighty and able to sell the house, having given it to us through a miracle years ago, a miracle in which many of you were participants. We are keeping sight of His power and goodness, and our hearts are grateful.

We also recognise that transition is not easy for us, and we feel a little "stuck". We ask for your prayer that the Lord to arm us with patience and peace during this process.

## Prayer Points:

- We give thanks for Jordi's arrival, and for protection of the whole family in these difficult times of the pandemic.
- We give thanks for the health of the whole family, especially Rafi's joints. Specifically we're praying that she can regain quality of life with this treatment.
- Pray for new challenges for Abel's ministry (teaching, MCE-IBEROAMÉRICA and support for pioneering work).
- Pray for the sale of our house in Cabra and for God to lead us to a new location in Catalonia. Please pray specifically for patience for us in the process.

## Family

In the midst of the coronavirus crisis, our third grandson, Jordi, was born. We thank the Lord that everything went well. Estefanía and Marcos are now adapting to life with 2 little ones.

Samuel and Natalia have taken advantage of the time of "unemployment" in their respective jobs, to study. Samuel has been doing a Master in Managing Internet Traffic while Natalia prepares to enter a Diploma in Singing. Hopefully these studies will allow them to improve their employment situation in the future.

Thank you for your prayer for Abel's father. We are thankful to God's care for him through the 3 cardiac cath procedures. Everything went well and he is recovering at home.

## Provision

We have experienced another sign of God's kindness to us, for we are very grateful. An anonymous donation has made it possible for Rafi to receive treatment for her chronic cervical pain!
